Castle Study	*	*	*	*	*	*	*

Learning objective: To introduce students to attacking and defending castles, including an insight to the history of a local castle.

Description: The students get ready to attack a castle; they have a classroom talk about defence and attacking of castles. This is followed by the storming of a castle where history is brought to life.

AIMS	FIELDWORK	IT
<ul style="list-style-type: none"> To understand the purpose of building a castle in a certain situation. To observe and understand the different forms of defence used in Denbigh castle. To understand the different forms of defences used in different castles and why. To understand the history of a castle Keywords: Defence, attack, medieval history. 	<ul style="list-style-type: none"> Recognise and mark of castle defences. Answer quiz questions. 	<ul style="list-style-type: none"> Design a web page Insert photos and diagrams
