Mission possible	*	*	*	*	*	*	*

Learning objective: To introduce pupils to mission possible.

Description: A computer based activity, suitable for all age groups. Mission possible is an exciting learning game that requires pupils to work together using Internet clues to discover the location of a character being held captive. Promotes valuable IT and Internet skills, as well as developing initiative and leadership skills.

KNOWLEDGE	SAFETY	SKILLS
<ul style="list-style-type: none"> To access the Internet, identify clues and propose solutions. Observing general safety rules for abseiling.
